

Yearly Fees

There are 3 categories of fees: Registration, Semester Fees, Class fees. These are all separate fees; here is a breakdown below.

- Registration fees are a yearly non-refundable amount due by each family immediately upon registering. This fee is primarily used to cover building costs. The registration fee is \$75 and can be paid by Zelle, Cash, or Check.
- Semester fees are due each semester by each family. This fee is due by the 3rd week of the semester. This cost helps cover any of the building rent that was not covered by registration fees. It also is used for any building/school supplies. Any overflow of funds is put into an emergency/event fund. The semester fees can also be paid by Zelle, Cash, or Check.

Semester fees are a scale per child attending classes. Children in nursery all day are not counted.

1 child \$40

2 children \$50

3 children \$60

4 children \$70

5+ children capped at \$80

- Class fees are designated by each teacher/class. Fees can range from \$0-\$25 per student. Each teacher will request their amount based on other supplies (special supplies, curriculums, copies, etc.) needed for the class. Classroom fees are due by the 3rd week of the semester, or your child may be removed from class. Each teacher will specify how they would prefer payment to be made. Fees go directly to them

- Zelle payment info- journeyinhisgrace@gmail.com ph.# 412-974-5826

- Check or Cash- Please directly message us for an address to send payment to.

All the money brought into our co-op will be used for our co-op! As we build/ grow, we hope to have some extra funds saved. These will be used for an emergency fund for any unforeseen circumstances, and the rest to give back. We hope to have special events for our families to join! If there is ever a question about our funding/ where money is going you are welcome to speak with the leader team for a breakdown. We want everyone to understand that we are not profiting off if this is in any way. All

the leaders here are serving as volunteers. We donate our time to make this a beautiful place for our families to gather together. We look forward to the future and growing together with our community!
